CHASE INDUSTRIES, INC.

Chase Industries is a nationwide specialty financing company which provides financing services to the healthcare market. We work directly with medical manufacturers and distributors, physicians, outpatient facilities, hospitals, dentists and other healthcare professionals to provide working capital loans and first class equipment financing.

STRAIGHTFORWARD APPROACH

We focus on building relationships. It is important that our customers and business partners are confident that we will treat them honestly. Our straightforward, ethical approach to finance has been one of the keys to our growth and success. Our documents (posted on our website) illustrate this forthright approach and do not include: Automatic Renewals, Interim Payments, Forced Insurance, Blanket Liens or Prepayment Penalties.
